

The last years of our  
Mother's life were made  
happier by the timely  
compassionate care that  
she received at Amber  
Sea Place and by the  
level of excellence at  
which your residence  
is operated. You should  
all be very proud.  
We also thank you for  
the donation to Wesley  
United Church in her memory

We deeply appreciate  
your thoughtful expression  
of sympathy,  
which was of the greatest  
comfort to us  
in our sorrow.
