Dear Residents, Staff and Friends of Amber Lea Place:

On behalf of the Alzheimer Society of Brant, please accept our heartfelt thanks for your recent generous donation from your on-going events, as well as our appreciation for your on-going support of the work that our Society does.

It is through such generosity that the Society is able to continue to provide quality support services, education services, counseling services and on-going support of research. Choosing the Alzheimer Society as the recipient of your donations is a gift that has a lasting impact and will go on to help current and future individuals and their families cope with this devastating disease.

We will keep you informed through our web-site and other correspondence on how your support matters. Once again, thank you for making a lasting gift of *Help for Today and Hope for Tomorrow* for those individuals in Brant County who continue their journey with Alzheimer's disease or a related dementia.

Sincerely,

Janet Lovekin
