Dear Staff and Residents of Amber Lea Place:

Today our Penny Queen called to tell us that we had reached a very significant milestone in our year-long penny campaign.

We achieved the \$1,000.00 mark and our campaign still has three months to go!

This accomplishment was due in part from the very large collection of pennies we recently received from Amber Lea!

Thank you so much for ALL your efforts on behalf of Operation Lift. Your support is sincerely appreciated.

Your jar is being returned with the hope that you will continue to save those pennies for Operation Lift! Thanks again for helping us to "keep our wheels on the road."

Regards,
