Dear Friend:

On behalf of the Brantford YM-YWCA, I would like to thank you for your donation to our Kidsworld Y Blueridge Spring Fundraiser.

Through the money raised in our fundraisers, we try to improve the quality of our programs by purchasing much needed equipment and play items for the children's enjoyment. While we are proud of our accomplishments, we recognize that our success depends on the backing of a large group of "behind-the-scenes" supporters. Thank you for being part of this special group. Your gift of a knitted doll certainly assisted our fundraising attempts this year.

Thanks again.

Yours sincerely,

Irena Blemings,
Supervisor,
Kidsworld Y Blueridge.
